## Online Safety

This week, KS2 had a BCyberwise workshop. Don't forget these top tips for staying safe online...

- 1) Don't post anything that is personal to you such as your address, school, email or mobile number.
- 2) Keep your privacy settings as high as possible.
- 3) Never give out your password for anything.
- 4) Don't befriend or meet up with people you don't know.
- 5) Remember that everyone online may not be who they say they are.
- 6) Tell a trusted adult if you see anything that upsets you or makes you feel uncomfortable online.

## "Bag a Book"

As part of plans to make our school better, we are redesigning our library. This means we will be getting some updated books for our library. If you are noticed by any members of staff for positive reasons, they may tell you to go to the library and 'Bag a Book'. This means you can pick a book of your choice from the library to take home and keep!

Will you be noticed?

## Class Worship

As part of our plan to improve the school, we want to encourage all children to lead worship within their classes and as part of assemblies and Masses. Why not gather peers from your class, and ask your teacher if you can lead the class worship?
