

Parish Lunch

On Wednesday the 18th of April we had our first parish lunch at St Anne's. We invited parishioners from the church to come and join us for lunch. Our school cook made a beautiful roast turkey dinner and we had chocolate orange sponge and custard for pudding.

Our visitors were delighted to come to school as many of them hadn't been here before. The Year 6 children took them on a tour of the school and shared many of our successes with them. They visited all of the classrooms and spent some time outside in the playground. We enjoyed hearing their stories of their time at school. We look forward to doing this again next month.
