Pupil Premium Report 2015/2016

At Saint Anne's Catholic Primary School, the Governing Body and all Staff are committed to the belief that every child should be entitled to and access any support and intervention that we can offer in order that they achieve their potential. Some pupils from disadvantaged backgrounds require additional support; therefore we use all the available resources to help them reach their full potential. The pupil premium grant (PPG) was created to provide funding for three key areas:

- Raising the attainment of disadvantaged pupils and closing the gap with their peers.
- Supporting children and young people with parents in the armed forces.
- Providing funding for looked-after children
