

Literacy

Reading-

Reading- reading words containing common suffixes.

Fluency in reading common exception words

Comprehension-

Retrieve information from non-fiction texts. Distinguish between fact and opinion. Infer character's feelings.

Writing-

Transcription-

Using subordination, co-ordination clauses. Use of 4 types of sentences, exclamation, commands, questions and statements. Write legibly- revise letter structure, horizontal and diagonal joins and use consistent letter size.

Composition-

Non-fiction: Letters- Text focus: The Jolly postman.

Cultural fiction- Amazing Grace- Focus: Use of descriptive writing

Narrative: The lighthouse keeper's Lunch- Focus: dialogue, problem and solution

Numeracy

Number and place value: know value of numbers up to 3 digits, partition numbers, order and round numbers to the nearest 10 and 100.

Multiplication and division: use methods to solve one step division and multiplication problems, use pictures and diagrams to represent these.

Fractions of shapes and numbers: Identify fractions ($1/2$, $1/4$, $3/4$, $1/3$) in shapes and numbers. Compare and order fractions.

Measurement: To use non-standard and standard measure to measure everyday objects. To understand the measures used for mass, weight and length and which measures should be used.

Geometry: Properties of 2D and 3D shapes. Position and direction-translation.

Statistics: Read and interpret information from tables and timetables. Present and interpret information in bar charts and pictographs

RE

Pentecost- Developing the children's knowledge and understanding of the story of Pentecost and of the activity and presence of the Holy Spirit. They will also focus on the way Pentecost is celebrated in the Church and Confirmation being the Sacrament of the Holy Spirit.

Our Church- Developing the children's understanding of what it means to belong to God's Family. We will also focus on the role of the parish and people with special responsibilities. Children will also hear about the origins of the Church through the lives of the Apostles

Mass- Developing the children's understanding of the structure of the Mass and what is taking place. They will also focus on seeing Christ present when we gather, in the Word and in the Eucharist.

Science- Plants

Closely study plants and trees in the natural environment, taking measurements and making observational drawings. Children will plant a seed and a bulb and compare them as they grow. They record changes in their plants in words and pictures, take measurements and finally draw bar charts to show the growth of the two plants.

Children will set up a comparative experiment to observe what plants need to grow well, and watch the germination process first hand by growing cress. Children will begin to learn about plants we eat, and understand that farming involves creating the right conditions for food crops to grow.

Work scientifically using models, annotated diagrams and demonstrations to explain thinking and answer questions such as:

What do plants need to grow well?

Does the environment that the plant is put in affect the growth?

St. Anne's Catholic Primary School

Year 2

Summer Term

Geography-

Let's go to China-

Focusing on the geography of China through the main human and physical features of the country, extending children's knowledge of the world. Children will learn about the geographical similarities and differences between China and the United Kingdom. Children will continue to build on their map skills using atlases, world maps and globes more widely, along with using webcams, online mapping programmes and interpreting a range of information.

Under the Sea-

Identifying the seas and oceans around the world on a world map. The children will focus on the Great Barrier Reef and the animals which inhabit the area.

Art/D&T

Children will learn about the bright colours and bold brushstrokes used by the Impressionists, and other artists, when painting landscapes and cityscapes.

Study of Significant artists-

They will be introduced to the work of Claude Monet, Vincent van Gogh, and Jean Metzinger. They will make paintings, drawings, and mosaic art, inspired by the three artists.

Computing

Young Author- They will research their chosen country in the world we live in. Once they have captured this information they will produce a book to show what they have learned.

P.E.

Dance-perform dances using simple movement patterns.

Team Games- participate in team games, developing simple tactics for attacking and defending

Educational Visits/Enrichment

Activities:

Sea life centre.

Warwick Castle

SMSC & British Values Links

Ability to recognise the difference between right & wrong and apply this to their own lives

Ability to accept responsibility for their behaviour

To understand the consequences of their behaviour and actions

Ability to resolve conflicts effectively
