

## How to tackle number bonds

	+	14	=	40
--	---	----	---	----

### How to do number bonds:

1. Get to the nearest 10.
2. Write how many more we need in the one's column.
3. Count in 10's to your answer.
4. Write how many ten's needed in the tens column.

Now have a go:

	+	37	=	40
--	---	----	---	----

	+	17	=	50
--	---	----	---	----

	+	28	=	60
--	---	----	---	----

	+	42	=	70
--	---	----	---	----
